"Making its grand debut from Paris comes the puma shoes for women black Collection. Combining sportswear with refined tailoring, the PUMA Collection takes inspiration from how happiness starts with the people you surround yourself with. PUMA and Ami also wanted to celebrate the new era of the modern world, one that doesn't conform to a specific gender, style, or appearance. The collection comes with a line of clothing, as well as classic PUMA footwear silhouettes.

Featuring the puma sneakers classic suede, the PUMA Suede Crepe, the PUMA Suede Mayu, and the PUMA Slipstream Mid, the collection goes for the minimalist approach. Using a mix of neutral and bold colors, the collection elevates sportswear by using premium textiles. Each pair is adorned with a unique co-branded graphic that combines Ami's signature symbol with the PUMA logo.

reebok aztrek 96 adventure black Removed from the leather construction that helped identify the sneaker in the '90s, Packer adds a vintage coat of premium suede to the nostalgic trainer that comes underpinned in breathable mesh. Varying shades of grey largely define the shoe's color language while muted hues of blue balance the neutral theme.

Based off the preview that Bodega shared on Instagram, we can see that the reebok club c 85 release date is made with tumbled leather. The sneaker is entirely monochromatic, using a shade of dark green to dress the upper. To give the shoe a regal flair, the Bodega and Reebok branding shine in embossed gold letters. Finishing details include a red insole, brown suede heel tab, and white midsole."
